
This notice is being posted in accordance with AS 18.23.400 Disclosure and reporting of health care services, prices, and fee information.

Effective January 1, 2021 and until further notice, Alaska Cardiovascular Surgery Center owned by Alaska Heart Institute charges the undiscounted fees for the listed health care services provided in this document.

You will be provided an estimate of the anticipated charges for your non-emergency care upon request. Please do not hesitate to ask for information.

Please note, a health care provider that provides a "good faith estimate" to a patient under (g) and (h) of Section 18.23.400 Disclosure and reporting of health care services, price, and fee information is not liable for damages or other relief if the estimate differs from the amount actually charged to the patient.

The undiscounted prices listed below may be higher or lower than the amount an individual actually pays for the health care services described.
